ITINERARY

Located in Southeast Wisconsin, our charming city awaits you.
Discover our Murals, Historic Downtown, Amazing Dining Options, Friendly Small Business Owners and more...all located in The Cheese Capital of the World!

Plymouth Arts Center | Stroll around the gallery to see the newest exhibit of artwork.

Plymouth Historical Society | See how our city was back when your grandparents were first falling in love with each other by viewing the popular Plank Road Trail display.

Cheese Counter | Share a dish of ice cream or find the best wedge of cheese to share later.

Nesemann's Diamond Center | Remember this special weekend with the perfect piece of jewelry picked from this family owned 100-year-old business.

Blind Horse Winery | Remember that cheese you bought? Match the perfect bottle of locally made wine to it.

Marsh Tower | You'll love the view you get after climbing the 80-foot tower. Come in the evening...this is a local favorite for watching the sunset.
