Welcome

MAYOR WELCOME

As the mayor of the city of Plymouth, Wisconsin, I would like to welcome you and invite you to enjoy all that our community has to offer. Whether you are a visitor, current resident or someone considering a move to Plymouth, this guide will help you learn about life in Plymouth and why you should consider visiting or relocating to our city.

Our picturesque, historic downtown is filled with several great businesses while preserving a charming small-town feel. Visitors will find generous and welcoming hospitality from our Plymouth residents. Since Plymouth is the Cheese Capital of the World, you will see the beginnings of our cheese legacy at Antoinette, the 20-foot cow statue found at the west end of Mill Street. You can also learn about our deep cheese history at the Cheese Counter & Dairy Heritage Center, located in our downtown. Make a point to enjoy, when you come to Plymouth, our 30 historically significant murals painted by the Walldogs. They are spread all throughout our quaint downtown area.

And of course, you are invited to attend all our celebrations and festivals. From our Taste of Plymouth in June, to Mill Street Festival in July, Jazz & Blues Crawl in August, and all of our Holiday Celebrations starting with our Holiday Gathering Parade the day after Thanksgiving and ending with our nationally recognized Big Cheese Drop on New Year's Eve. There are so many more activities too numerous to list going on in the Plymouth Area. The Plymouth Arts Center also offers an excellent series of productions, gallery openings and holiday celebrations. Throughout the year many of our local clubs and organizations host a variety of family friendly events.

Our historic downtown district, listed in both the National Register and State Register of Historic Places, continues to attract visitors to the charming shops and restaurants. And our expanding business population provides many employment possibilities.

We take great pride in everything Plymouth has to offer that makes our community a great place to live, work or visit. If you're a tourist, perhaps a visit to our local Chamber of Commerce and Visitor's Center to pick up additional information and find out what's going on in Plymouth will assist you in getting the most out of your visit.

Again, welcome to Plymouth! We hope this Visitors and Resident Guide will help you enjoy the experience.

Don Pohlman
Plymouth City Mayor

CHAMBER OF COMMERCE WELCOME

Welcome to the Cheese Capital of the World, Plymouth, Wisconsin! Thank you for your interest in visiting Plymouth. This guide is designed to inspire and provide you with tools to help you determine if it is the place for you to live or to plan your trip to visit. Take some time to explore Plymouth's wonderful restaurants, eclectic shops, and collection of significant murals in the downtown historic district. Experience rich culture and unmatched outdoor adventures.

You can visit the Cheese Counter & Dairy Heritage to learn about Plymouth's history in cheese, while enjoying our local cheeses. Enjoy our many summer activities from concerts in our park, festivals, aquatic center and our many parks throughout the city. Our winter activities are just as plentiful. You can spend time ice skating on the Mill Pond, skiing at our ski hill, sledding on Cardboard Hill.

Each season brings its own colors and beauty to see, making Plymouth a unique, destination experience. We look forward to welcoming you. -Mary Hauser, Plymouth Chamber of Commerce Executive Director

Our History

Plymouth is now a thriving community, but when the first settlers came upon Plymouth, they would have seen not much more than wilderness and a stream surrounded by swampy land. Plymouth was originally known by early Native Americans as "Ta-quit-qui-oc" or Crooked River. Plymouth was originally surveyed in 1835 by United States Engineers with the first land purchase made in 1836.

Plymouth's first settlers, Isaac Thorpe, his two sons John and Rensselaer and his son-in-law, William Bowen, arrived May 8th, 1845. By May 12th they had built a log home. Four days after that night, on May 16th, Mrs. Thorpe and their daughter arrived.

In July 1845, Henry Davidson and his son Thomas arrived. Henry gave the name of Springfield to the new settlement, but Thomas renamed it Plymouth, after Plymouth, Connecticut, where his sweetheart died and lay buried.

In 1847, a surveyor was employed to lay out the western side of Plymouth. A business district was in the works. The first sawmill was built in 1848, and a grist mill was erected in fall 1849. The arrival of the Sheboygan and Mississippi Railroad came in April 1859, and the Milwaukee and Northern Railroad followed in 1871.

Organized in October 1868, a hand engine and 200 feet of rubber hose were purchased. By 1875, a fire house had been built and the department consisted of three divisions: chemical crew, hook and ladder crew and firefighters.

Plymouth was incorporated as a city in 1877, and Otto Puhlman was elected Mayor. Plymouth was nicknamed "The Hub City", not just because of the central location in the county, but for the manufacturing of hubs and spokes for wagons and bicycles.

As Plymouth grew, it gained its reputation as the "**Cheese Capital of the World**". Cheeseville was the common name for the section of town south of the depot where cheese was manufactured, collected, stored, cured, graded, packed and shipped all over the world. In fact, during World War II, more than 1,000 of Plymouth's 4,400 citizens found employment in the cheese industry. From 1918 to 1955 the Wisconsin Cheese Exchange, which operated out of the Exchange Bank building downtown, helped to establish, influence, and set national cheese prices.

Isaac Thorpe would be proud to see what Plymouth has become. Built by determination, ingenuity and hard work, the values of Plymouth residents remain the same today. Most of the wilderness has been shaped into parks, schools, residential areas and a booming downtown district.

There are 18 buildings that have been landmarked by the city, and a brochure has been made for a self-guided tour of these landmarked buildings. You may pick up a brochure at the Plymouth Chamber of Commerce Office or the Plymouth Historical Society Museum.

The Plymouth Historical Society museum, located in downtown Plymouth, is housed in a three story cream city brick commercial building built in 1875. It was originally built as a tavern and residence for Mr. William Sebald and his family. It has been home to the Historical Society since 2007. Open year round, the free family friendly museum offers changing exhibits that have included a general store, a vintage parlor, cheese making, Native American arrowheads and artifacts, and much more!

1

10 Must Sees

Whether you are just visiting, moving to the area or have lived in Plymouth your entire life, here are 10 attractions to add to your to-do list!

2

1. Plymouth Arts Center

The premier art destination in western Sheboygan County; providing diverse experiences in the Arts such as gallery exhibits, live musical and theatrical performances, art classes and more.

2. Cheese Counter and Dairy Heritage Center

Plymouth is the Cheese Capital of the World! Find out why here as you engage in interactive videos, quizzes, and a selfie fun center. Sample local cheese and indulge in a specialty sandwich, panini, bowl of soup or an ice cream cone.

3

3. Plymouth Dirt Track Racing

Experience the thrill of high flying race action at Plymouth Dirt Track's 1/3 mile clay oval track. Held Saturdays from late April through September, with special events mixed in. Family fun at one of the regions premiere dirt tracks consists of 360 Sprint cars, Late Models, Grand Nationals and B Mods.

4. Historic Downtown Plymouth

No visit to Plymouth would be complete without a stop in our historic downtown! Listed on both the National Register and State Register of Historic Places, downtown Plymouth offers splendid architecture, eclectic shops, fun places to eat or grab a local drink and more.

4

5. Murals, Murals & Murals

Plymouth boasts 30 murals painted throughout the downtown! 21 of these murals were painted by the "Walldogs" in the summer of 2011. 5 were added in 2021. Each mural captures the nostalgia and historic significance of Plymouth's rich business history. Grab a map, get the family together, and head downtown to start the fun search for these beautiful murals! Each mural has a sign with a QR code you can scan with your cell phone for information on the mural. (see p.25-26)

6. Enjoy Some Fresh Air & Explore The Outdoors

Plymouth is proud to have Tom & Jerry's Mini Golf & Batting Cages, the Plymouth Aquatic Center, Evergreen Golf Course, Fishing near the Mill Pond Dam, Disc Golf at Meyer Nature Park, Bike Trails and an extensive list of public parks. Grab the family and get some quality time in!

7. Antoinette the Cow

No visit to Plymouth is complete without snapping a selfie in front of our favorite roadside attraction. Antoinette stands 20 feet tall, was made out of fiberglass, and erected in 1977 as part of the Plymouth's Centennial celebration. She honors the area's legacy of dairy production.

MURRAL

Tour

A DIFFERENT BREED OF MURALIST

The Walldogs are a group of highly skilled sign painters and mural artists from all over the globe. The Walldog Movement is quickly gaining popularity, and is a great way for small towns to boost their tourism. Imagine a “pack” of talented artists descending upon your town to paint the most beautiful murals you can imagine. Every wall that a fellow Walldog touches springs to life with images of local places, people, and products that have historic significance to each town.

Schools

The Plymouth Public School district serves over 2,000 students from the City of Plymouth and surrounding communities. They have close to 300 full time caring faculty and staff members, who are dedicated to educating the young people in our community.

There are three public elementary schools (4K-grade 4), one middle school (grade 5-8) and one high school (grade 9-12). More information on the district and each of the schools is available online at www.plymouth.k12.wi.us. Plymouth also has two parochial schools, serving children from 3K-8th Grade.

Plymouth School District has a simple mission: To encourage everyone to see and be his/her personal best through successful learning experiences. The school board sees to this by their Pillars of Excellence: Academic Excellence for the 21st Century, Community Engagement, Extra-Curricular Activities and Financial Responsibility. The Plymouth School district can easily obtain this mission by being the right size to offer both individual attention and a wealth of opportunities.

PLYMOUTH CITY HALL

128 Smith Street, P.O. Box 107, 920-893-1271 • www.plymouthgov.com

The Mayor of the City of Plymouth is Don Pohlman, who serves part-time. Mayor Pohlman works with the City Administrator to ensure that all city ordinances and state laws are observed and enforced, and that all city officers, staff, boards, and commissions properly discharge their duties. The Mayor is present at all Common Council meetings and may vote in the case of a tie. The Mayor represents Plymouth at official gatherings.

The Common Council is the legislative branch of City Government. The Common Council is the forum for review and debate of proposed ordinances, resolutions and policies proposed by the standing Council Committees and boards and commissions. The most important legislation is the annual City Budget. The Common Council is comprised of eight part-time alderpersons representing four aldermanic districts. Each alderperson serves a two-year term. The Council operates on a committee structure, with the following standing committees:

- Committee of the Whole (Entire Common Council)
- Finance & Personnel Committee (4 Council members and Mayor)
- Public Works & Utilities Committee (4 Council members and Mayor)

In addition to the Council committees, there are several boards and commissions that provide policy input to the Mayor and Common Council and are comprised of citizen members and alderperson representation. These bodies include the Plan Commission, Board of Park Commissioners, Redevelopment Authority, and Library Board as prescribed by Wisconsin statutes. From time to time, the City may also have "ad-hoc" committees like the "Utilities Building Committee."

Common Council Meetings are held on the second and last Tuesday of each month at 7:00 p.m. in the Council Chambers of the City Hall.

CITY ADMINISTRATOR/UTILITIES MANAGER

128 Smith Street, P.O. Box 107, 920-893-1271
www.plymouthgov.com/cityhall

The City Administrator-Utilities Manager, Timothy Blakeslee, serves as the Chief Administrative Officer of the Municipal Corporation; leading, planning, organizing, and directing the administration of the City of Plymouth toward fulfillment of goals and policies determined by the Mayor and Common Council. The City Administrator-Utilities Manager assists the Mayor and Common Council by facilitating the establishment of goals and proposing alternative strategies for their accomplishment. The City Administrator – Utilities Manager directs the use of human and fiscal resources toward accomplishment of City goals.

PLYMOUTH POLICE DEPARTMENT

Recreation

Sports and Activities

Plymouth is truly an all year community for a wide variety of activities. We are fortunate to have many different community organizations that provide options for keeping everyone active and engaged. During the beautiful Wisconsin spring, summer and fall seasons there are so many opportunities to participate or simply spectate. Our wonderful Wisconsin winters may seem cold and long but embracing the winter activities makes it pass too quickly.

The Plymouth Community Education provides classes ranging from cooking to crafts to woodworking and personal fitness. There are a variety of community sports programs offered by individual organizations available to school age children.

Spring, Summer & Fall

Boating, Canoeing and Kayaking

Public access throughout the surrounding Plymouth area is provided on many lakes by either a developed boat landing or walk-in access. There is a new ADA Compliant Kayak and Canoe Launch along the Mullet River, located next to the Plymouth Youth Center, 609 North Street, Plymouth.

Frisbee Golf

The city maintains an 18-hole Frisbee-golf course at Meyer Park. The course features woods, a river and a variety of long shots, 300 Daleview Street. There is also a 18-hole disc golf course located within Road America, open Mondays and Wednesday 6-8pm during their 4 Miles of Fitness event.

Golf

Evergreen Golf Course offers family fun for everyone with their 9-hole short course and driving range. Open to the public, open tee times, club rental, pull carts and golf carts. Open daily April through October.

Hiking

There are several miles of hiking trails within the Kettle Moraine Forest-Northern Unit. The Ice Age National Scenic Trail travels for 31 miles through the length of the forest. Hiking is also available at the Greenbush recreation area (13.5 miles) and Parnell Tower loop (3.5 miles)

Horseback Riding

Equestrians can enjoy 41 miles of bridle trail through the Northern Kettle Moraine Forest which are traditionally open late-April through mid-November depending on the trail conditions.

Mini Golf & Batting Cages

Play 18 holes of mini golf on the family-friendly Shady Trails course or the more challenging 18 on the Stoney Creek course at Tom & Jerry's Mini Golf and Batting Cases. You can also work on your baseball or softball swing in one of six cages. Bring your own equipment or borrow theirs.

Skate Park

7th Element Skate Park is a small outdoor skate park, included two 4 foot quarter pipes, 2 4foot mini roll-ins, one 3 foot spine and more.

Tennis

The city maintains two tennis courts at Bade-Utility Park. The courts are open on a first-come, first-served basis and are lit at night.

Vita Course

Located on the grounds of Generations Intergenerational Center, the Generations Vita Course offers fitness fanatics of all ages and abilities the opportunity to have more exercise choices at Plymouth's only Vita Course. Offering 10 exercise stations.

Biking

The Old Plank Road Trail

The Old Plank Road Trail runs from the Kohler Erie Avenue Trailhead in the City of Sheboygan west roughly 21 miles to the county line. The terrain varies from flat to gently rolling with one large climb or descent near County

Highway S just east of Greenbush. The Old Plank Road Trail was one of the first trails in the nation to share the right-of-way with a 4-lane divided highway. The first sections of the trail were built in the late 1970's with the most recent sections having been added in 2021. In 2021, the trail was extended another 4.4 miles to the county line where it will seamlessly join Fond du Lac County's portion of the trail that will run to the City of Fond du Lac. The trail is shared by a variety of users including cyclists, walkers, joggers, mopeders, equestrians as well as snowmobilers in the winter months.

Kettle Moraine Forest, Northern Unit

A single-track mountain bike trail is maintained at the Greenbush recreation area, totaling about 9 miles. A state trail pass is required for all bike riders age 16 and over on these trails. Normally these trails are opened in late April through November, depending on trail conditions.

Rocky Knoll Mountain Bike & Hiking Trail Network

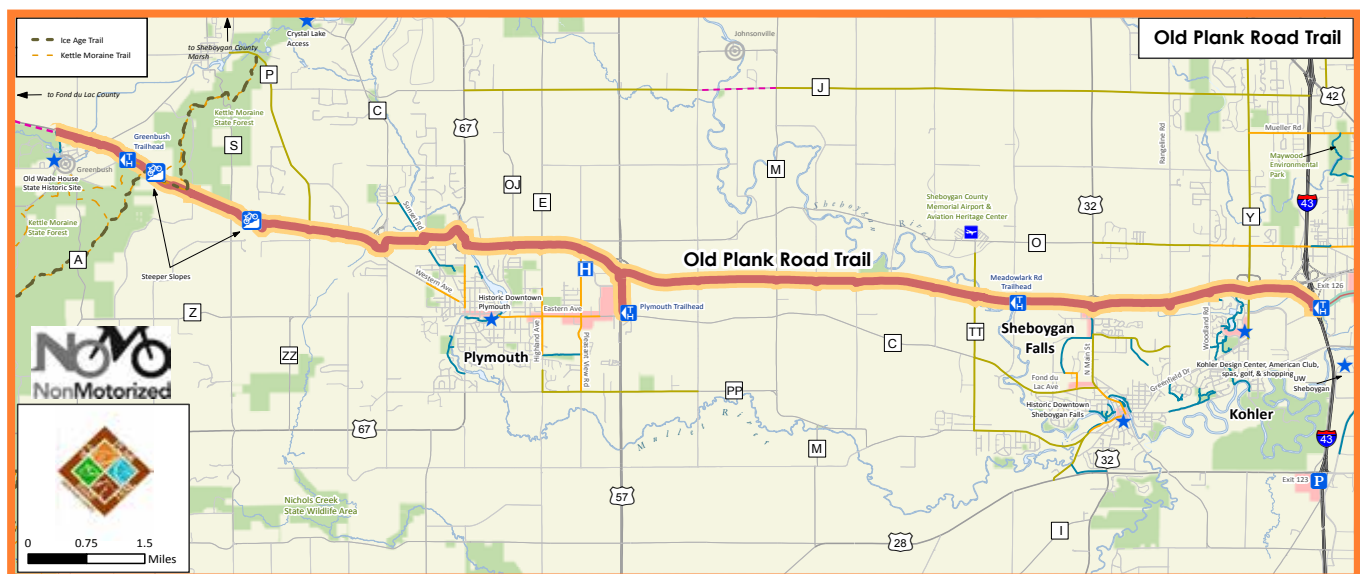

Construction began July 22, 2019 on an approximately 5 mile mountain biking and hiking trail at the 62-acre Rocky Knoll Health Center Campus. The base trail is complete, though, it is anticipated some revisions and additions will be made moving forward. WisCorps crews and Planning & Conservation Department staff completed the majority of the work.

Road America 4 Miles of Fitness

Monday and Wednesday nights from 5:30-7:30pm May-September. Participants have free reign over Road America's cross country trails, service roads, and the 4-mile, 14 turn road racing surface itself. Bike, walk or run.

Plymouth Recreational Trail

A dedicated trail winding throughout the city, follows along city streets and city-paved routes. Connects to The Old Plank Road Trail.

Winter

Cross Country Skiing

Kettle Moraine State Forest, Northern Unit
 The Greenbush recreation area offers more than 13 miles of machine-groomed cross-country ski trails. Pets and hiking are not allowed on ski trails. A state trail pass is required at Greenbush and Zillmer for all skiers age 16 and over. Volunteers from the Northern Kettle Moraine Nordic Ski Club (NKMNSC), in cooperation with the state forest, regularly machine groom the ski trail system for diagonal and skate skiing.
dnr.wi.gov/topic/parks/name/kmn/todo.html
www.greenbushusa.com

Ice Fishing

The lakes freeze over for about three months each winter. Ice thickness and safety can vary from day to day and from location to location. Use your best judgment about the safety of the ice.

Sledding

Plymouth City Park
 "Cardboard Hill" is a lighted winter sledding hill on the east side of the park, with a large parking lot.

Ice Skating

Located at the far eastern end of Main St., Plymouth's Mill Pond is a beautiful setting to spend some time ice skating. Our warming house offers free skate rentals, warm drinks, snacks and restroom facilities. The rink is open when there are seven inches of measured ice.

Snowmobiling

46 miles of maintained snowmobile trails wind throughout the Plymouth area. To view if trails are open visit www.nkmsnow.com

Snowshoeing

Kettle Moraine State Forest, Northern Unit
 Hikers and snowshoers may explore several miles of trails that are not groomed for skiing. Some trails in the forest that are open for snowshoeing include Greenbush and New Fane snowshoe trails, Moraine Nature Trail, Tamarack Nature Trail, Parnell Trail, Butler Lake Trail and the Ice Age National Scenic Trail.
dnr.wi.gov/topic/parks/name/kmn/trails.html

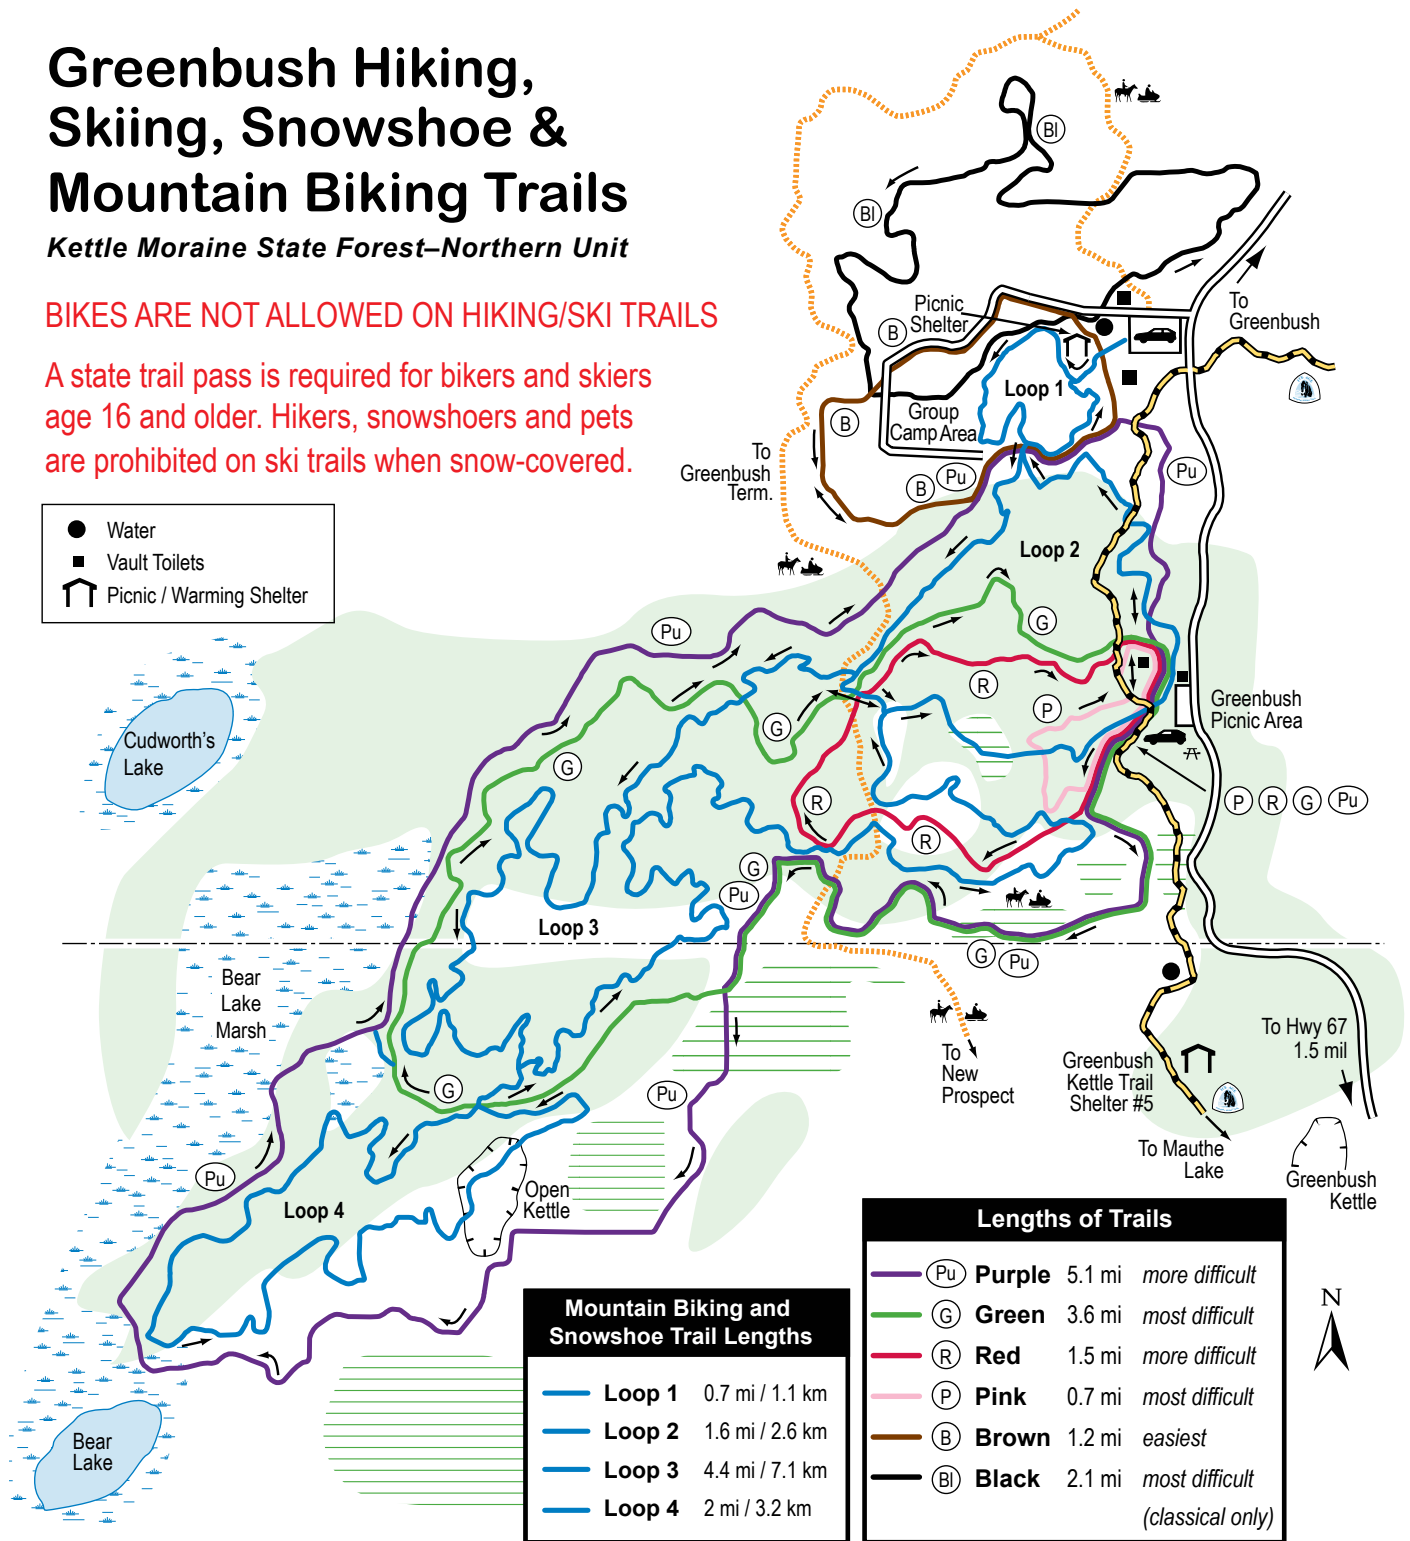

Greenbush Hiking, Skiing, Snowshoe & Mountain Biking Trails

Kettle Moraine State Forest–Northern Unit

BIKES ARE NOT ALLOWED ON HIKING/SKI TRAILS

A state trail pass is required for bikers and skiers age 16 and older. Hikers, snowshoers and pets are prohibited on ski trails when snow-covered.

What do we mean by comprehensive education?

It starts with a child.

- Nurturing child care and a 3K preschool program
- 4-year-old kindergarten that prepares children for academic success

We add classmates & experiences.

- Three neighborhood elementary schools
- Emphasis on the well-being of the whole child

We teach them to share, to play, to create.

- 27 middle-school extracurriculars
- 72 athletic, artistic, academic, & service opportunities at PHS

We challenge them academically.

- State-of-the-art science labs, greenhouse, and engineering & technology center
- Head start on college, with 80+ college credits available

When we let them go, we know they are ready.

- Ready to learn more, to work hard, to enjoy life
- Our scholars and leaders head to Ivy League schools and military academies

THAT is what we mean by comprehensive education.

Mullet River

The Mullet River is a river that travels through Plymouth, Wisconsin. It is surrounded by natural beauty and also cuts through downtown. This little gem offers scenic beauty and opportunities for kayaking and fishing.

Kayaking on the Mullet River is now made easier by a new kayak launch located by Riverview Middle School. Take your kayaks or canoes there for an easy, hassle free drop into the river. This is also the widest/largest portion of the river so you are able to explore without worrying about the Mullet's varying water levels.

Fishing is another great way to enjoy the Mullet River. The most popular species caught are Smallmouth bass, Northern pike, and Bluegill. A popular location for fishing is at the dam located by Veterans Memorial Trail, downtown Plymouth.

Take a look at some of the fish you may discover in the Mullet River.

Bluegill

Labeled a "panfish," the bluegill is almost as wide as it is long. Length sometimes reaches 10-12 inches, and weights go up to 2 pounds.

Smallmouth Bass

An average smallmouth weighs between 1 and 2 pounds, will measure about 12 inches and is considered the scrappiest fish of all.

Largemouth Bass

The largemouth grows to a weight of 11 pounds and length of about 24 inches.

Northern Pike

Pike attain lengths of as much as 50 inches. The record Wisconsin fish weighed 38 pounds.

Brown Trout

Native to Europe, brown trout in Wisconsin have a common catch size of 16" and 2 pounds.
