

In June 2011 a group of artists and mural painters called the "Walldogs" converged upon Plymouth, WI to paint a record 21 murals. These murals were painted in 3 days by over 160 Walldogs to beautify historic Downtown Plymouth and to preserve the city's history. Plymouth has a total of 25 murals. This tour map will help you locate these murals and see the Walldogs beautiful art. Four of the murals on the tour (highlighted below) were not painted that weekend in June but we like to include them for you to enjoy. We hope you enjoy the hard work of these talented artists...we are lucky to see them everyday!
