“2020 Mill Street Festival Event Cancelled on July 11, 2020”

Plymouth WI After thorough discussion and consultation with other local events and health officials, the Plymouth Chamber of Commerce Board of Directors Executive Committee have made the difficult decision to cancel the 2020 Mill Street Festival.

This decision was ultimately made due to the impacts of COVID-19 in Wisconsin, the unknown timeline of State shelter-in-place orders and the likely slow and careful reintroduction of large gatherings.

“This was not an easy decision. While we’re sad to not be able to hold this annual event, we felt this was the best decision to allow for proper planning for our vendors, sponsors, and non-profit partners,” said Mary Hauser, Executive Director.

Mill Street Festival has been providing free, family-friendly events the 2nd Saturday in July for over 20 years in Downtown Plymouth. This event feature entertainment, food, beverages and family-friendly activities.

Dozens of businesses confirmed their sponsorship support for this year’s Mill Street Festival season. The Plymouth Chamber of Commerce Board of Directors is extremely grateful for this support and will contact all sponsors to discuss options and opportunities for the 2021 season.

“We understand that this is disappointing news for our community,” adds Hauser. “We continue to be grateful for the opportunity to provide over two decades of free entertainment supporting downtown businesses and chamber members, and we’re already working on creating a memorable 2021 event.”
